Pension to Sheik Davood late 1st class Police constable of the Kolar Taluk

Note The applicant is under 55 years of age. The Dt Surgeon, Kolar, certifies that he considers him to be incapacitated for further service of hard labour in consequence of general debility and to be fit for further service of a less laborious character. In retiring and sanctioning pension to such officials, art 296 (b) says that the principle of art 279 must always be carefully borne in mind. The explanation of the Dy Comrs is that the constable is found unfit for Police duty having served for above 33 years and complains of rheumatism & weak of good sights.

Subs forwards with the usual draft sanctioning the pension.

Medical Certificate

UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India is as follows :—

Certified that I have carefully examined Shaik Baboo son of Shaik Mohadin, a Police Constable in the Kolar Dt, Kolar Dist.

His age is, by his own statement, 55 years, and, by appearance, about 50 years.

I consider him to be ~~completely and permanently~~ incapacitated for hard labour further service of ~~any kind (or in the Department to which he belongs,)~~ in consequence of General debility

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

(If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made :—)

I am of opinion that he is fit for further service of a less laborious character than that which he has been doing, (~~or may after resting for _____ months, be fit for further service of a less laborious character than that which he has been doing.~~)
